**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic fiber internet in the San Francisco area. The fast, reliable service is invaluable to my career in healthcare. I've lived in areas with limited competition in the broadband arena -- I used to pay the exact same amount as I do for my current internet...for literally 5% of the speed (50 mbps vs 1gbps). This is the magic of competition: providers like Sonic keep the large ISPs honest.

Please protect our small business providers.
